

Becoming a School of Character

PROFESSIONAL DEVELOPMENT COURSES

Delivered in schools and colleges for leaders and teacher

The Association for Character Education is launching it's Becoming a School of Character professional development courses. These will help enable schools and colleges to support their pupils to flourish through becoming a School of Character. These courses will be delivered within your school or college and have been designed to;

- Enable schools/colleges to manage behaviour and attitudes through character
- Support leaders to achieve an integrated and whole-school approach to their character education
- Draw on the most recent research in character education
- Provide examples of best practice from *Schools of Character Kitemark* schools
- Provide a flexible module structure that can meet the needs and budgets of different schools and colleges
- Provide practical tools and strategies that can be implemented to enhance character provision and support the flourishing of pupils
